Certificate of Analysis

Chlorosulfonic acid

Catalog No.:

R3045

Chemical Name:

Chlorosulfonic acid

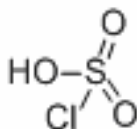

CAS Number:

7790-94-5

Lot Number:

R3045070315

Structure:

Molecular Formula:

ClHO₃S

Molecular Weight:

116.52

Synonyms:Chlorosulfonic acid

Appearance:

Powder

Identification:

COA

HPLC Purity:

98 %

Storage:

The normal temperature

Result: Meets specification.

Duration of use:Use period of 2 years

A handwritten signature in black ink, appearing to read 'C. J. Lee', is written over a horizontal line.

Manager, Quality and Regulatory
